

DIRLETON PRIMARY SCHOOL'S WILLOW PRICE LIST

PLANT SUPPORTS

TALL approx. 1.70m to 2.2m Packs of Six £5 Singles £1 each

These are ideal for obelisks, individual or long wigwams to support vigorous climbers such as sweet peas, runner beans, squashes, tomatoes.

MEDIUM approx. 1.2m to 1.6m Packs of Ten £4 Singles 50p each

Use **MEDIUM** plant supports individually for medium to tall flowers and vegetables – delphiniums, sunflowers, dahlias etc. Or tie into a circle at the top as a cloche for fragile or floppy plants such as peonies.

SMALL approx. 70cm to 110cm Packs of approx. 20 £1

Use **SMALL** plant supports for your outdoor and indoor pots, tubs & floral art.

Willow is a natural material, ideal for supporting plants of all sizes. It is pliable and blends naturally into your garden border or plant pot. If you have problems with greedy wildlife such as rabbits, pigeons and deer, willow supports can be threaded into wire netting to create discreet protective cages.

TALL

MEDIUM

SMALL

Proceeds from the sale of willow will be used to support the school and its activities.
